

multi\_tools::read\_nastran\_file

```
graph LR; A[multi_tools::read_nastran_file] --> B[get_nodes_edges];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'multi\_tools::read\_nastran\_file'. The right box is gray with a black border and contains the text 'get\_nodes\_edges'. A blue arrow points from the right side of the left box to the left side of the right box.
